

# KP6018SG2

Passive 18" High-Power Karaoke Subwoofer

## HIGHLIGHTS ■

### Tuned for KTV Applications

JBL signature karaoke tuning provides excellent bass performance

### Extended Low-Frequency Performance

18" long-excursion woofer with high moving mass driver for extended low-frequency output

### Sleek Design

Sleek, modern design that is well-suited for a wide range of KTV applications and installations

### Pole Socket

Single-position pole socket for applications that require pole mounting

Continuing JBL Entertainment's legendary heritage in karaoke speakers and audio performance, the JBL KP6018SG2 is a premium 18" passive, high-output subwoofer for KTV applications and installations. The subwoofer follows in the footsteps of its predecessor—the KP6018S—as it features excellent bass performance and JBL's standard of reliability in a reimagined, modern, sleek design.

Featuring JBL's signature KTV tuning, the KP6018SG2 delivers powerful bass output that compliments the KP G2 Series full-range speakers. In addition to premium audio quality, the KP6018SG2 features a fresh, striking form factor that matches the rest of the series. With this uniform look, you can mix and match models from across the portfolio to create a premium KTV system. Altogether, with pristine audio and striking aesthetics, the KP6018SG2 enhances KTV venues and provides a memorable karaoke experience.

## KEY MESSAGES ■

### SIGNATURE JBL KARAOKE SOUND

Following in the footsteps of the original and highly successful KP Series, the KP6018SG2 features JBL's legendary karaoke tuning, which delivers excellent bass performance. With authoritative lows that compliment the KP G2 Series full-range speakers, karaoke-goers will have a blast singing their favorite songs.

### REIMAGINED, MODERN DESIGN

The KP6018SG2 features a new, sleek form factor that matches the KP G2 Series full-range speakers. With this reimagined, stylish design, the KP6018SG2 and rest of the series are perfect for a wide range of karaoke environments.

### UNCOMPROMISING QUALITY

Built with JBL's standard of reliability, the KP6018SG2 endured rigorous testing to ensure it will withstand the test of time. Perfect for a wide range of KTV venues, the KP6018SG2 is designed to deliver optimum performance for the long haul.

### FLEXIBLE INSTALLATION

As a member of the KP G2 Series, the KP6018SG2 provides venue owners flexible configuration options as it can be mixed and matched with speakers from across the portfolio to build a premium KTV audio system. Plus, the KP6018SG2 features the same dimensions as its predecessor—the KP6018S—offering simple retrofitting and installation into existing systems.

# KP6018SG2

Passive 18" High-Power Karaoke Subwoofer
