

Battery Powered Stereo Amplifier

MOBILE BA

STEREO

Roland

The compact, battery-powered mobile amp you can take anywhere.

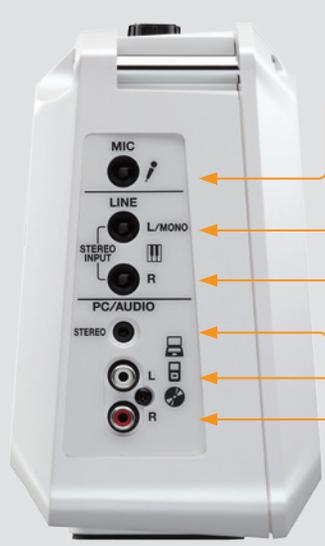

- Lightweight, compact amp with carrying strap
- Big, dynamic sound that belies its small body
- 3-channel design supports a variety of inputs, including mics, instruments, computers, and audio players
- Anti-feedback feature prevents annoying howling
- Center Cancel feature lets you create karaoke sing-along tracks

Use as amplified speakers for your computer at your workplace or school.

Up to 15 hours of continuous operation with six size AA alkaline batteries.

Connect a variety of devices

- 
● Microphone
 Polish your vocals with the built-in reverb and echo effects.
- 
● Electronic instrument or metronome
 Use as a monitor at music classes, club activities, and home.
- 
● Computer or audio player
 Deliver computer presentations with high-quality audio. Amplify songs from your portable audio player.
 Use the Center Cancel function to practice vocals.
 - Center Cancel feature can reduce the vocal from pre-recorded songs.
